Worship

"Praise the Lord, all you nations! Worship him, all you peoples! Because God’s faithful love toward us is strong, the Lord’s faithfulness lasts forever! Praise the Lord!" Psalm 117 (CEB)

Worship is key in our relationship with God. If we are not worshiping, then we are missing out on opportunities for God to speak to us, to renew us, and to have dedicated time to offer our lives in thanks and praise. The Psalmist knew that worship was important, and called the people of Israel to offer their praise to God.

This month, I will be taking a week away for worship/sermon planning and prayer. One of my goals for the week is to pray over every family in our church directory and those who have recently been attending worship. If you have a specific prayer need that you would like me to focus on, please email that to me at revcovington@gmail.com, or write it down and leave it in the church office to my attention. The second goal for this week away is to spend a large amount of time planning worship for the rest of 2014 and into 2015. What I would like to know is what is of interest to you? What book or books of the Bible would you like to learn more about? Is there a person or persons of the Bible you would like to focus on for a series of week? Are there topics of interest to you that you would like to hear about from a Biblical perspective? Any suggestions or ideas you have will help me in my planning. I can't promise I will include every idea, but I will be in prayer about them. Again, you can email me or leave your suggestions/ideas in the church office.

I know we have all missed Judy Martin, our staff music coordinator/organist, while she has been on medical leave. Judy will be back with us in worship on August 10. I want to thank Claudia Karges, Michael VanHuisen, Jason Brune, Maggie Hawkins, Chad Johnson, and Connie Snyder for stepping up and leading/accompanying while Judy was out. Also, thanks to the Praise Team members and the congregation for being flexible as we tried new things.

Also on August 10th, we will have a Blessing of the Backpacks. All school age children and any school or homeschool staff/faculty are invited to bring their backpacks, totes, or items that represent their role at the school. The items will be placed around the Communion Table and then prayed over as we pray for the start of the new school year.

On August 17th the Youth Mission Team will lead worship sharing about their experience in Gatlinburg in July. We will have only ONE worship service that morning at 10:30 am. Following worship there will be a lunch prepared and served by the youth as a way to say THANKS for all the support given to them to make the trip possible. Greg Andrews will lead worship and preach on August 24th in both services.

Worship is a very important part of what we do as a church, but it is also a very important part of what we do in our individual lives. If you have not been in worship lately, please plan to join us this month. We miss having you with us!

See you Sunday!
Pastor Amy

What we’re learning...

We are having a great time learning about the Bible! This month it’s all about the stories in Genesis. We are going to sing the Genesis song, create some art to tell about the stories we’re learning, and play Jazzinga! The bible bucks are still flying. This month we are working hard on memorizing verses to earn extra bucks. Weekly email communications with the parents are taking place so they can be encouraged to stay the spiritual teachers and leaders in theirs children’s lives.

Something to talk about

As we prepare for fall, a new school years and new schedules don't forget to sit down as a family and ask these important questions...

What are our commitments inside the home?

What are our commitments outside the home?

Does this benefit our family?

Does this take away from our family?

Then, rank things in order of priority.

As we all know, sometimes we have to let go of good things to make room for the best things.

Opportunities to serve!

Quality Play Time

Taking turns on the playground is not easy. Waiting in line to climb the rope takes time and strong determination.

Quentin Taylor, Naomi Knapke, Kale and Alex Rathbun, Lexi Butcher, Jon Knapke and Alton Taylor - climbing the rope is Ardyn Gerber.

Safe play means following good directions with the Cars-Lexi Butcher, Jon Knapke, Kolten Gage. At Kid’s First we play, work, and learn traffic safety even when crossing the street going to the playground. Don’t forget community family “play time”, visit Legion “Cannon” Park, City Pool, walk to view new sculptures and enjoy ice cream at Old HWY 27.

Tana, Got Her ☸ Out...

Have you ever been at a park or restaurant and watched a child and learned something? A child at play is a “working” child. Examples of a child and adult working together.

A child, takes an adult’s hand to show them a bug on the ground. But the adult steps on the bug. An example for how a child’s spirit can be crushed just like the bug.

A child looks at you, smiles then dumps a container of “stuff” on the floor. Adult’s reply “Look at the mess you made.” Smiles are gifts to give, but some cannot, receive.

Actions may cause a child to ask, “Why?” Didn’t they see one of God’s critters? To sit and think? It’s more fun to play, even make a mess. Have you wondered what a child is thinking? We adults never “mess up”, or do we? We expect children to understand at all times. Do we ALL need to give thought to our examples? Do our adult actions teach good to today’s children, tomorrow’s adults?

Until the ☳ comes out again!
Items donated may be placed in the Family Life Center (along the east wall) starting August 11. The Mission truck will pick up the donations by August 18.
